Chapter 107: Start
The semifinal of the Inter High is finally starting! Will Kiyosumi High's Mahjong Club make it through?!

THIS SEMIFINAL IS A CLASH OF TWO DEBUTING SCHOOLS AND TWO VETERANS!
WHICH TEAMS WILL ADVANCE TO THE FINAL TOMORROW?

Now...
East round 1
East (Dealer)
Kiyosumi High (Nagano) Year 1
Kataoka Yuuki

LET'S GET THIS STARTED, DJEY!

Kiyosumi's Kataoka Yuuki...
Again, she's first dealer...

Is this merely an "occasion"..?
Or is it something else?
Occasionally she calls tiles and opens her hand, but more often than not she keeps it closed and uses riichi.
RON!

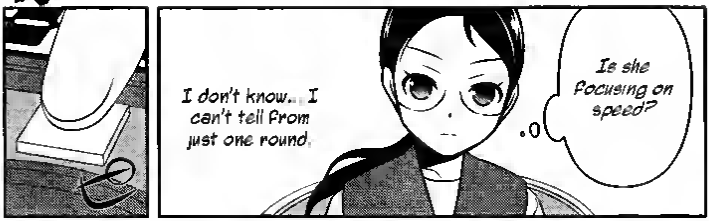
5800!

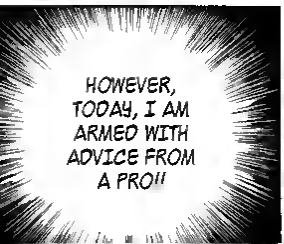
HERE.
Way too fast.
If I had that hand, I would never have called that 8-pin



I don't know... I can't tell from just one round.
Is she focusing on speed?

FIRST BONUS ROUND, DJEY!

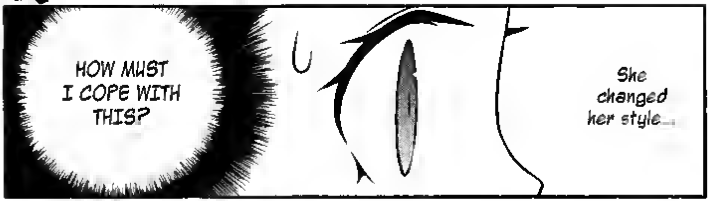
Even if my flow seemed to give me a quick win, I dealt into her hand
In the quarterfinal I lost over 20,000 points to her in East first...
A dealer repeat!!



HOWEVER, TODAY, I AM ARMED WITH ADVICE FROM A PRO!!

It was just thanks to Eisui's Jindai being groggy
I might have been the one to stop her dealer repeats, but...

CHII.
HUH...?!
SHE'S CALLING TILES AGAIN...?!
But in the quarterfinal her offensive play seemed to be entirely closed hands



HOW MUST I COPE WITH THIS?
She changed her style...

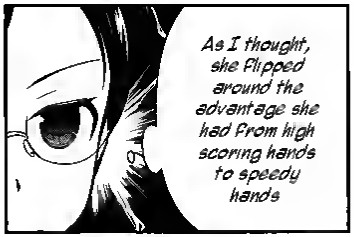
Indeed, it's scary giving her more tiles to call

She played safe

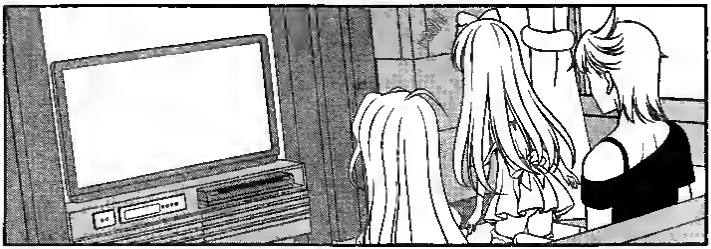
I'm folding too.

ドッ!
TSUMO.
1100 FROM EVERYONE.

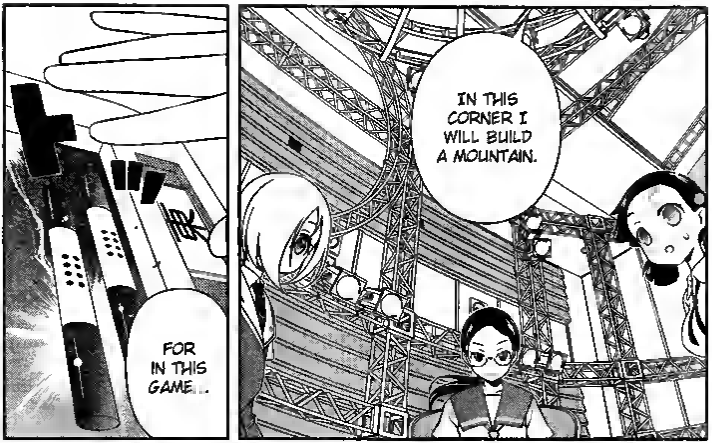
Since her hand values are low, even if she's speedy, I can go on the offensive too.



As I thought, she flipped around the advantage she had from high scoring hands to speedy hands



SO SHE'S FINALLY DOING IT...
THE CALLING STYLE PRACTICE IN THE TRAINING CAMP HAS PAID OFF.
BUT KATAOKA-SAN BARELY CALLED AT ALL IN THE QUARTERFINAL.
KIYOSUMI'S PRESIDENT MUST HAVE PUT THAT IDEA IN HER HEAD.



THE GODDESS OF THE EAST ROUND HAS GROWN!!

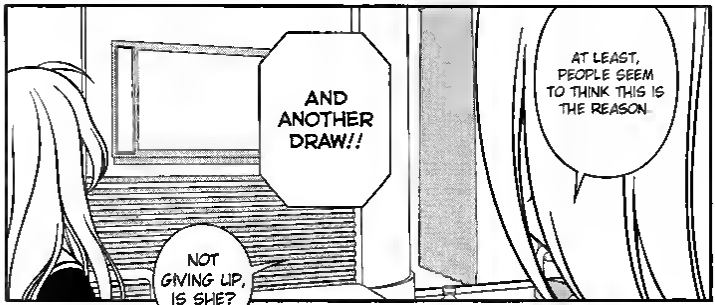
BECAUSE OF A REVISION IN THE RULES, THE VANGUARD CANNOT BE A FOREIGN STUDENT ANYMORE...
THAT'S WHY SATOHA, BEING JAPANESE, WAS CHOSEN AS THE VANGUARD.



AT LEAST, PEOPLE SEEM TO THINK THIS IS THE REASON

HOWEVER, I'D ALREADY SCOUTED AND SELECTED SATOHA BEFOREHAND.

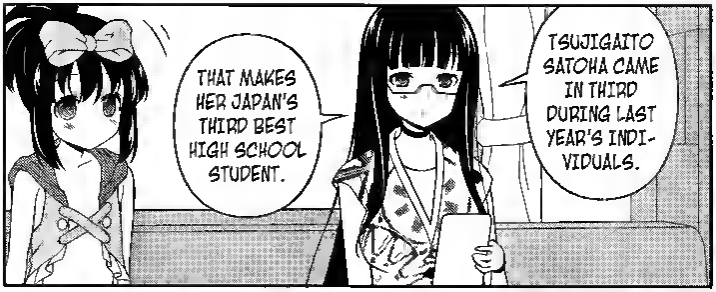
THIS YEAR, THE RULES LIMITED THE VANGUARD POSITION TO JAPANESE PLAYERS.
OOH.



TSUJIGAITO SATOHA CAME IN THIRD DURING LAST YEAR'S INDIVIDUALS.
THAT MAKES HER JAPAN'S THIRD BEST HIGH SCHOOL STUDENT.

Safety...

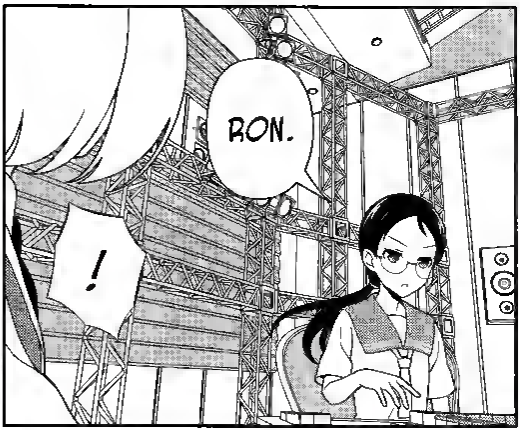
Which one do I discard? How about...



RON.

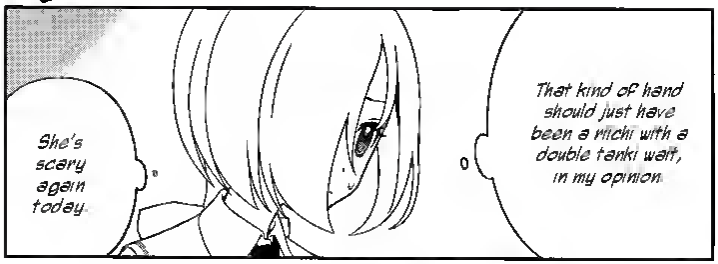
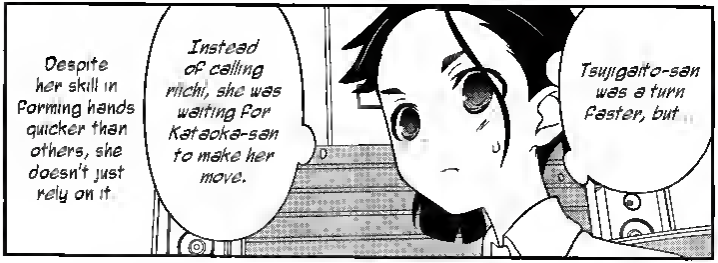
What's with that hand...
She threw away her 6-9 pin double tanki wait for a single wait on a 2-man?

She cancelled my ippatsu by going so far as to halve her odds...
Did she target the other two by going for a wait that would be safe against me?!



That kind of hand should just have been a riichi with a double tanki wait, in my opinion.
She's scary again today.



Tsuygaito-san was a turn faster, but...
Instead of calling riichi, she was waiting for Kataoka-san to make her move.
Despite her skill in forming hands quicker than others, she doesn't just rely on it.

All it took to take away my dealership was one round where I couldn't call.
She can go neck to neck with me in the East round?

So this is the third placer of Japan's Individuals' level of play.

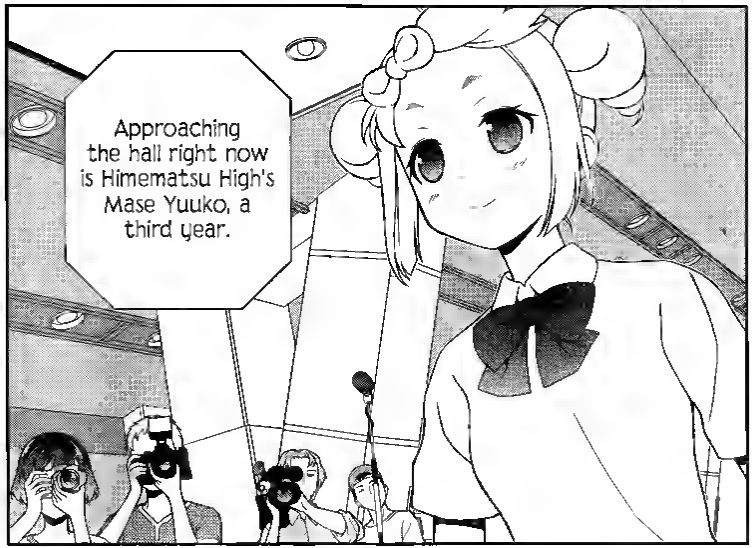
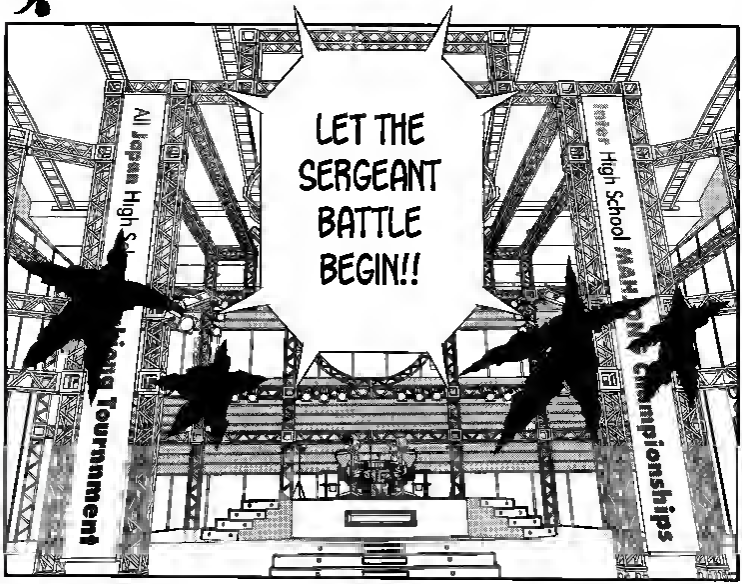
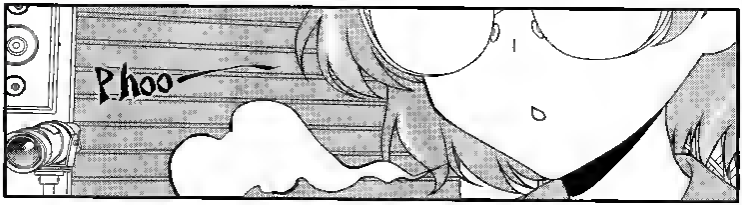
From Usuzan High, we have Himori Chikako, a third year!
Second year, Someya Mako from Kiyosumi High, who won the most points in her second round game.



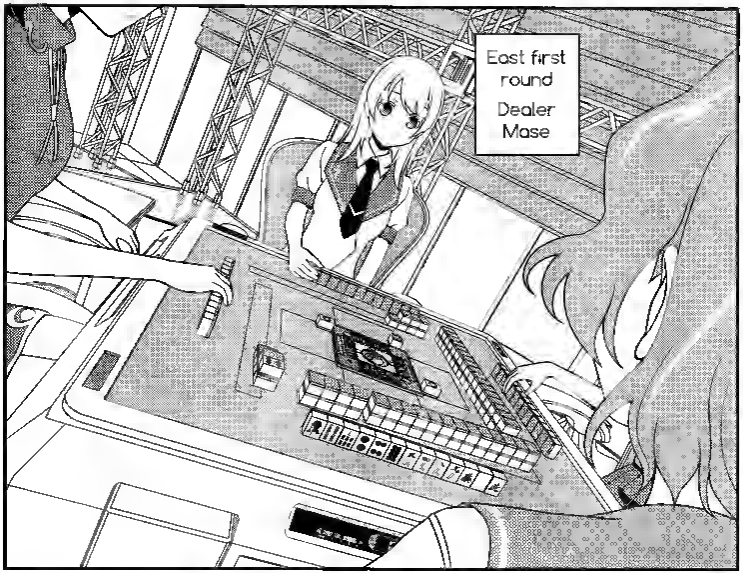
And from Rinkai All Girls...
The silver medalist of last year's Under-15 Asia tournament...
Hao Huiyu!!
The four players have gathered in the hall!



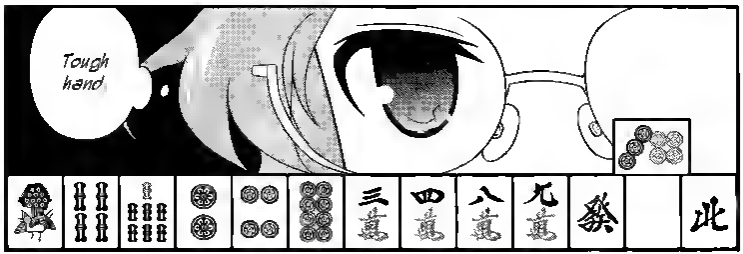
LET THE SERGEANT BATTLE BEGIN!!
All Japan High School Mahjong Championships
Inter High School Mahjong Championships



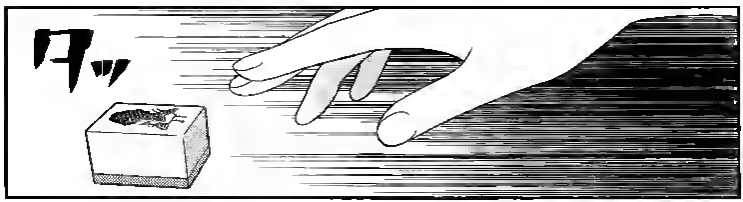
P.hoo



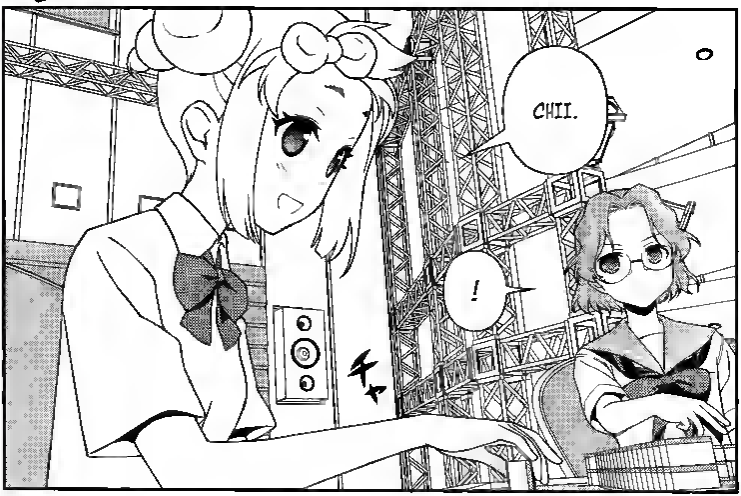
East first round
Dealer Mase



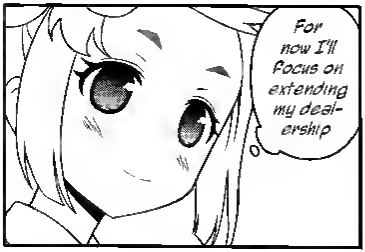
Tough hand



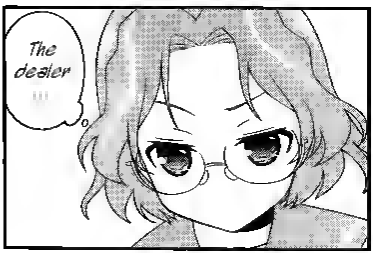
ﾀｯ



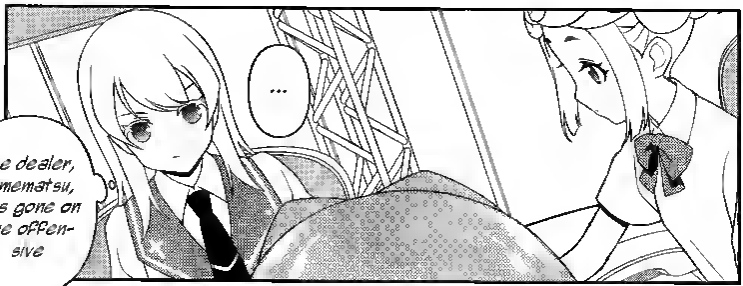
CHII.
!



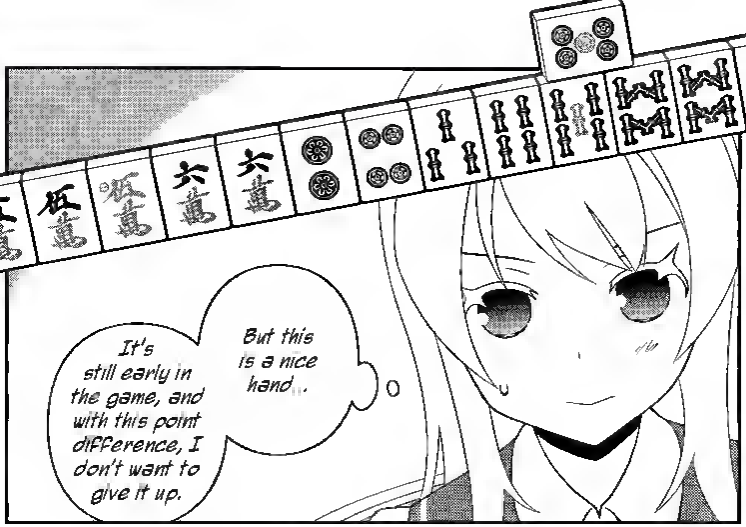
For now I'll focus on extending my dealership



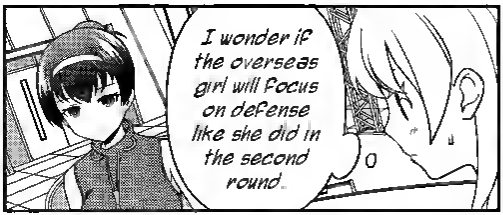
The dealer
...



...
The dealer, Himematsu, has gone on the offensive



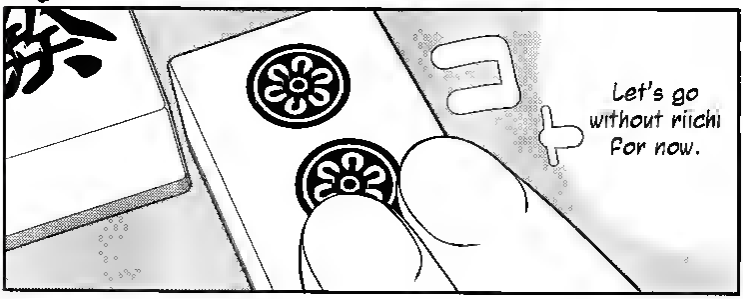
But this is a nice hand...
It's still early in the game, and with this point difference, I don't want to give it up.



I wonder if the overseas girl will focus on defense like she did in the second round...

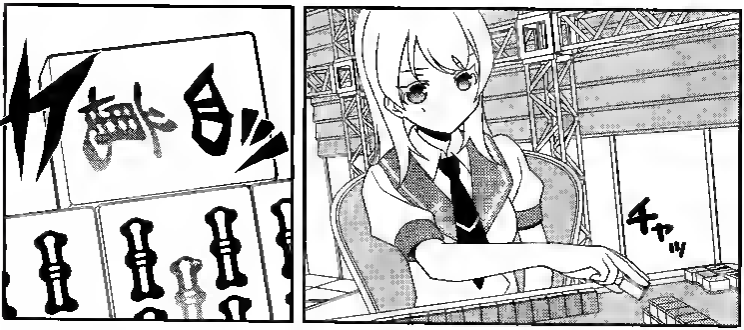
THAT'S A PON.
The dealer's second call
Normally, I should be playing it safe now Probably
TENPAI...

Without riichi, it's tanyao with 2 dora for 5,200 points.
Thanks to a dora, I'm in tenpai.
With this point difference...
I guess I should call riichi...
And the wait isn't good.
I've dealt into Sawaya's hands many times because of riichi.
No.



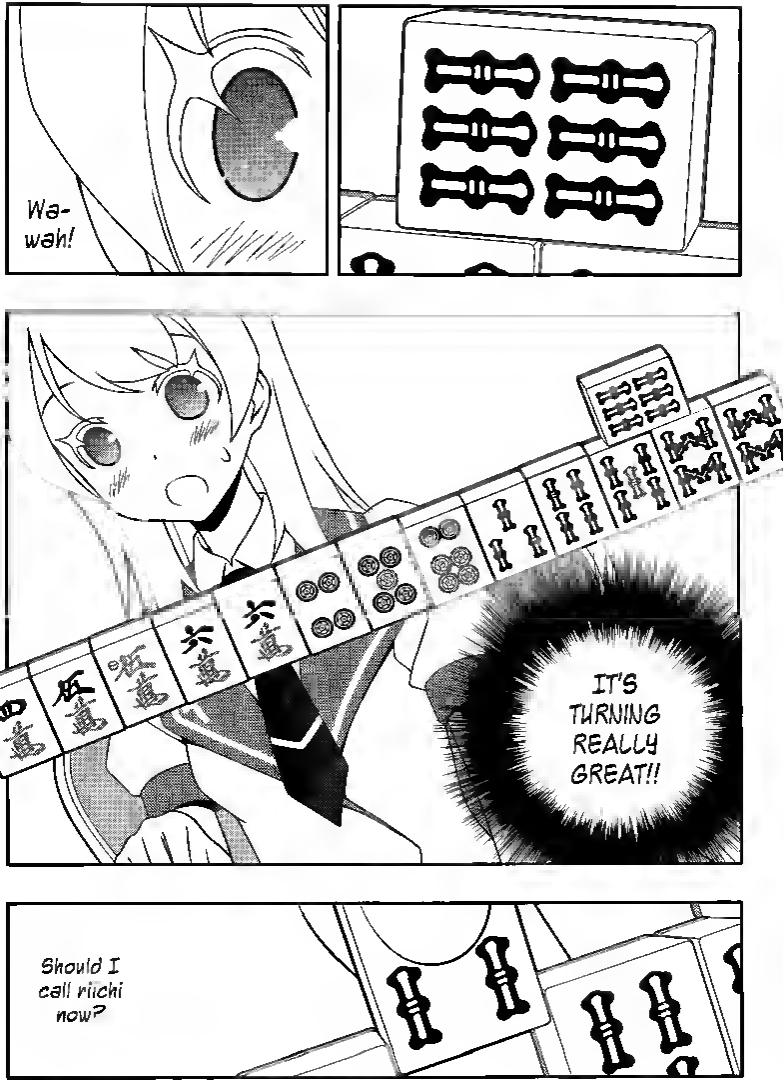
Let's go without riichi for now.

She sure took her time.
I wonder if she's in tenpai

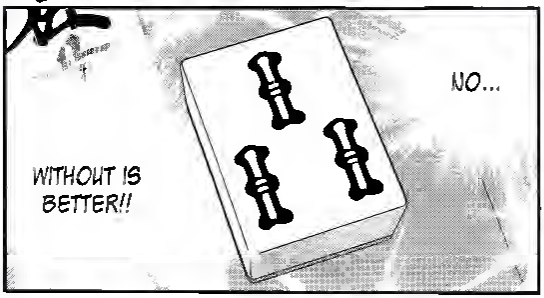


チャリ

Wah!

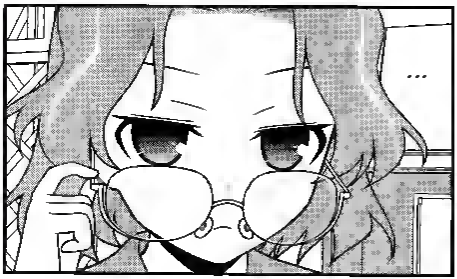


Wa-
wah!
IT'S TURNING REALLY GREAT!!
Should I call riichi now?

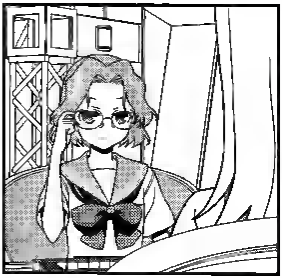


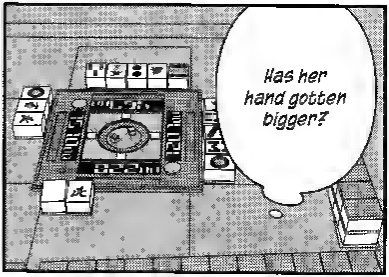
WITHOUT IS BETTER!!

NO...

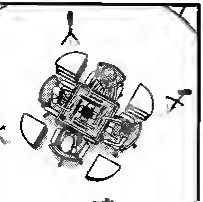


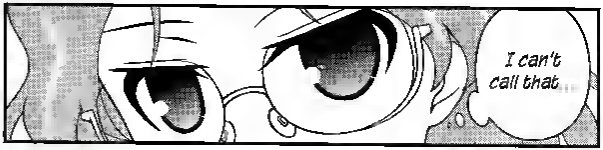
...





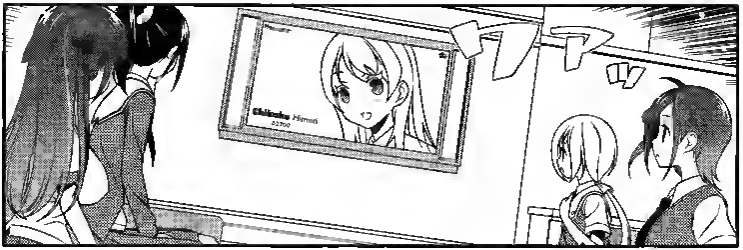
Has her hand gotten bigger?





I can't call that...

!
TSUMO!
4000・8000!!
THANK GOD!
Wa-wa-wah!



EVEN WITH THAT MEDALIST FROM WHEREVER...
SHE GOT A SURPRISINGLY EASY WIN, RIGHT?
I WONDER IF SHE LET IT HAPPEN BECAUSE THE SECOND PLACER, HIMEMATSU, WAS DEALER.

But wouldn't it be much better for the medalist to get an 8000 point win by herself?
She shouldn't need to resort to letting someone else win for an additional 4000 point lead

Resumes September 6

Usuzan High, so highly praised by Mahjong Pro Mizuhara Hayari (28), they are gradually showing us their true power...

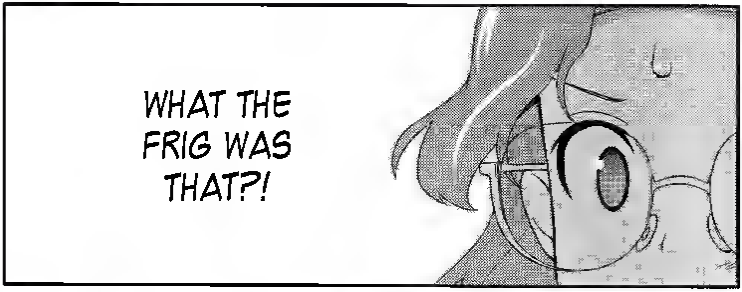
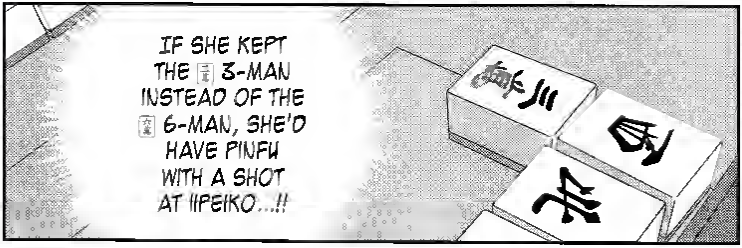
Huu (Chinese mahjong), hand completed

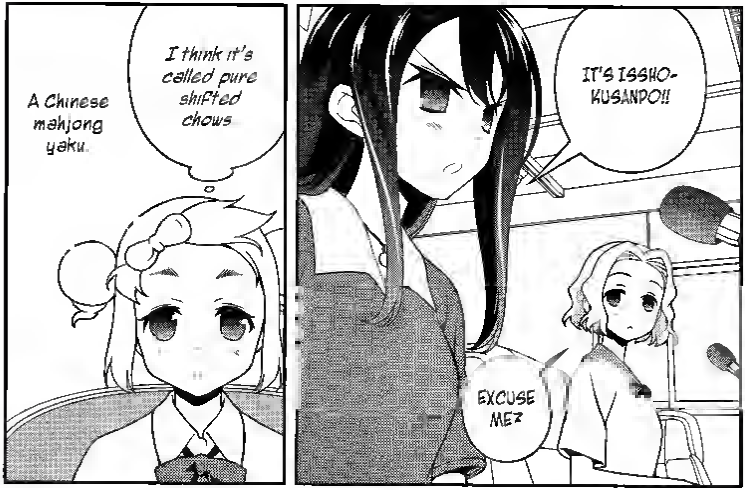
PLAY ONLY BY FEELING.
TSU-MO.
300 / 500 POINTS!
EH?



WHAT THE FRIG WAS THAT?!



IF SHE KEPT THE 3-MAN INSTEAD OF THE 6-MAN, SHE'D HAVE PINFU WITH A SHOT AT IIPEIKO...!!

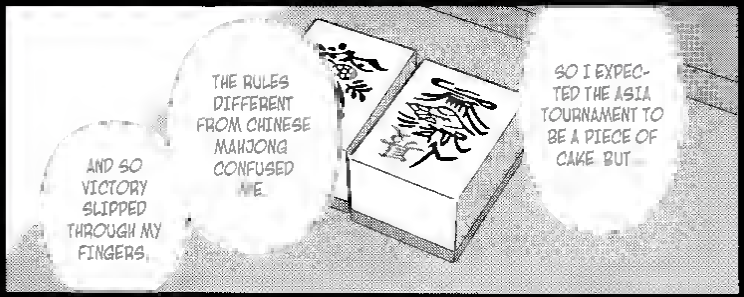


A Chinese mahjong yaku.
I think it's called pure shifted chows
IT'S ISSHO-KUSANDO!!
EXCUSE ME?

THAT'S ANOTHER HAND THAT WOULD HAVE EARNED MORE POINTS WITH THE CHINESE RULES, RIGHT?
A SHAME!
IT'S UNAVOID-ABLE.
...
CHINESE MAHJONG?
YEAH.
I'D LIKE TO TRY IT
I CAN TEACH YOU THE RULES, BUT...
ARE YOU SURE?

NO ONE CAN BEAT ME AT THAT, YOU KNOW?
YEAH.
JUST HOW I WANT IT.
GOOD-NESS...

YOU'RE A TOUGH ONE.
TOLD YOU.
THE RULES DON'T EVEN MAKE SENSE TO ME.
IF YOU'RE THIS GOOD, WHY DID YOU COME TO JAPAN?
FOR THE MONEY?
NO, THAT'S NOT IT.
YOU SEE...
BACK IN ELEMENTARY SCHOOL, I WAS THE CHINESE MAHJONG CHAMPION.



SO I EXPECTED THE ASIA TOURNAMENT TO BE A PIECE OF CAKE. BUT...
THE RULES DIFFERENT FROM CHINESE MAHJONG CONFUSED ME.
AND SO VICTORY SLIPPED THROUGH MY FINGERS.

OW...
SEEMS I'M LATE.
AND MISSED A BEAUTIFUL LIFE STORY
WE'VE ALREADY FINISHED THREE GAMES, THOUGH

THAT SAID...
WITH JAPANESE MAHJONG BEING MORE LIKE THE MAHJONG PLAYED IN THE ASIA TOURNAMENT, I CAME HERE TO PRACTICE IN THE INTERHIGH
ABOUT THAT, YOU NEVER CALL RIICHI AND STUFF EITHER, DO YOU?

COACH TOLD ME TO PLAY IN THE JAPANESE STYLE WHEN I FIRST GOT HERE
AND I DID BUT IT DIDN'T GO WELL
THE GOOD TILES THAT CAME SO EASILY WHEN I PLAYED CHINESE MAHJONG
JUST DIDN'T SEEM TO COME AT ALL ANYMORE.
THEN I STARTED USING A STYLE IN THE ESSENCE OF MY OLD CHINESE STYLE
THAT, WHILE FOLLOWING THE JAPANESE RULES...
ALLOWED YOU TO WIN AGAIN?

SO YOU TRIED TO CHANGE YOURSELF ACCORDING TO WHERE YOU WERE, BUT.
IN THE END YOUR GAME SENSE ISN'T SOMETHING SO FLEXIBLE?
INDEED

OR HOW-EVER YOU LOOK AT IT...
I HAVE NO NEED FOR RIICHI.

Show them the strength
of your focused mind!
Hao!

Have I ever been this blind to the face of the game before?

Haah...

And with the newbie opponent, my sight is already hazy...

THAT REMINDS ME OF WHEN I WAS LITTLE...

GOOD AFTERNOON!

7 years old

I SAW SOMETHING AWESOME TODAY!!
YE DON'T SAY! WHAT WAS IT?
SEVEN TURTLES SITTING ON TOP OF EACH OTHER!
AND THE FARM STAND HAD TOMATOES COOLED ON ICE FOR SALE THEY WERE HUGE AND SO MANY!
EH
NOW YE GOT ME ALL THIRSTY FOR TOMATOES
TAKE RESPONSI-BILITY AND GO GET ME SOME!
NO TURTLES THOUGH.

GRANDPA, YE SHOULD GET WELL SOON
ONCE YE DO WE CAN DO ALL THOSE THINGS TOGETHER
WE'LL DO JUST THAT ONCE I'M UP AND ABOUT AGAIN.
I WANT THE DICE-SHAPED FRUIT JUICE ICE
AND THEN BUY ME ICE CREAM!
EEHᶻ
ARE YE SUREᶻ LAST YEAR YE ONLY WANTED THOSE CRAZY TALL ONES!
MAKO
I KNOW YOU LIKE GRANDPA, BUT DON'T COPY HIS MANNER OF SPEECH.
WHYᶻ
S JUST THE WAY OLDER PEOPLE SPEAK

I'LL PUT THE TEA AND SNACKS FOR YOU TWO HERE, SO, MAKO
YES
WHAT'S THE
SNACK?
MAKO?
HMMM

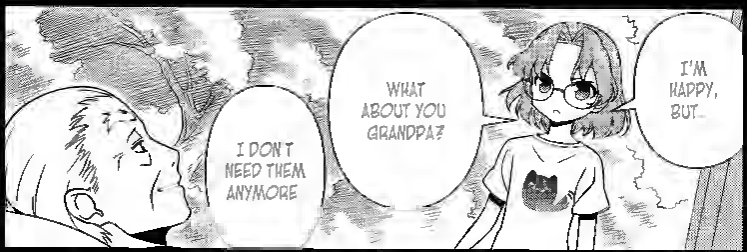
COULD IT BE YE HAVE POOR EYESIGHT?
HUH?

TRY THESE ON.
WA UWAAH
...
I SEE MUCH BETTER NOW!!

THAT'S GREAT THAT YE LIKE THOSE GLASSES...
THE FRAME IS SIMPLE, BUT SOLID
IN THAT CASE YE CAN HAVE 'EM, MAKO
GET YER EYES EXAMINED AND HAVE YER OWN LENSES INSTALLED

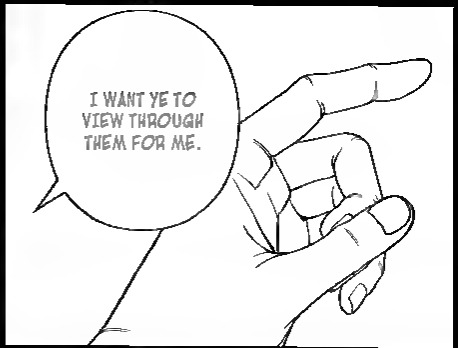


I'M HAPPY, BUT...
WHAT ABOUT YOU GRANDPA?
I DON'T NEED THEM ANYMORE

EH...?

UNFORTUNATELY, IT'S TIME I GAVE THEM UP
THAT'S WHY, MAKO,

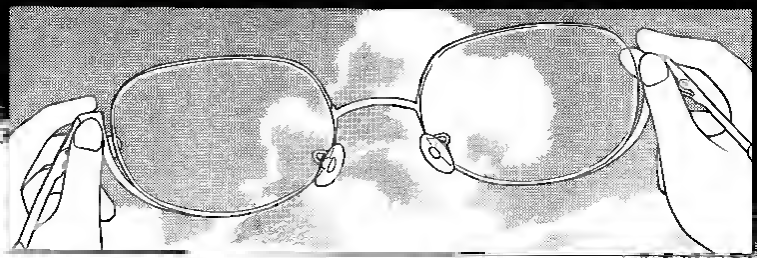
GRAND-PA

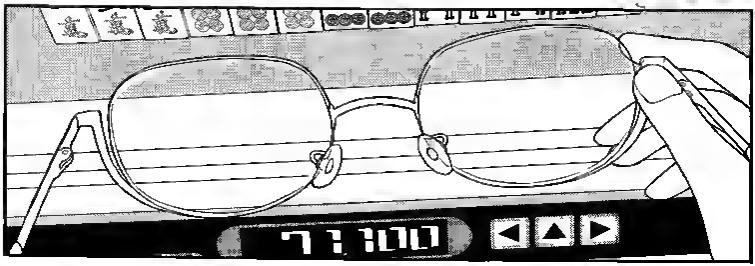


I WANT YE TO VIEW THROUGH THEM FOR ME.

I SAY THAT, BUT...
ふーん
I GOT ANOTHER PAIR.
THESE CHEAP ONES.
AHA.
YE PRANKSTER
IT AIN'T TIME TO THROW IN THE TOWEL YET. I'LL GET OVER THIS!
YES!

THAT'S THE SPIRIT!





Before my eyes is a view neither of us have ever seen before.

THE INTER

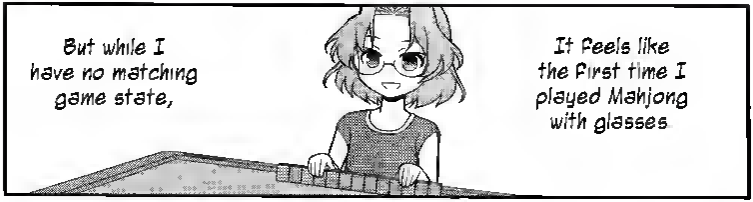
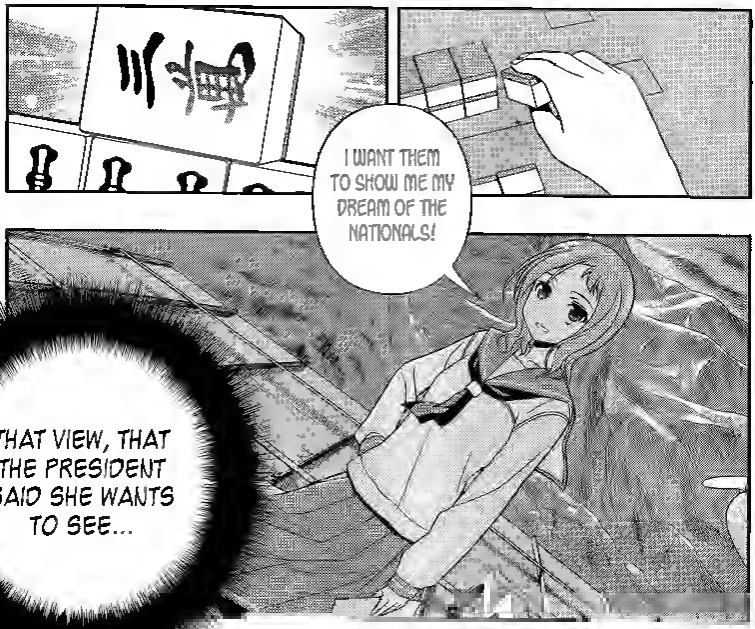
FINAL!



But while I have no matching game state,
It feels like the first time I played Mahjong with glasses

I do have my experience as a player and the knowledge from all games played!!



I WANT THEM TO SHOW ME MY DREAM OF THE NATIONALS!
THAT VIEW, THAT THE PRESIDENT SAID SHE WANTS TO SEE...

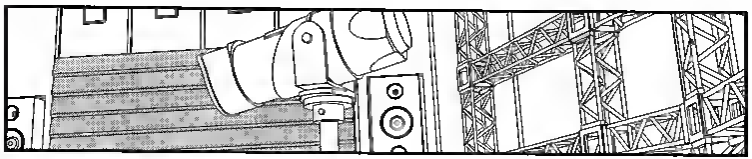
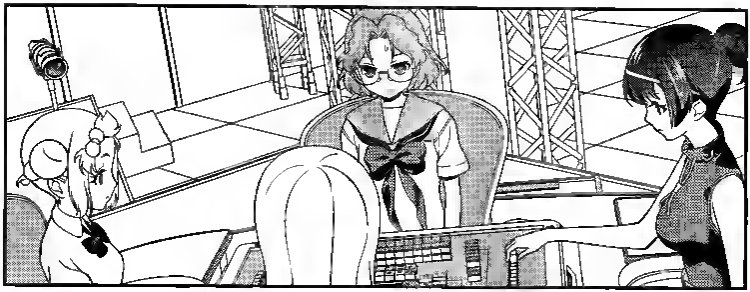
Stick to the Fundamentals,

AND KEEP UP THE FORT FOR THE PRESIDENT!!

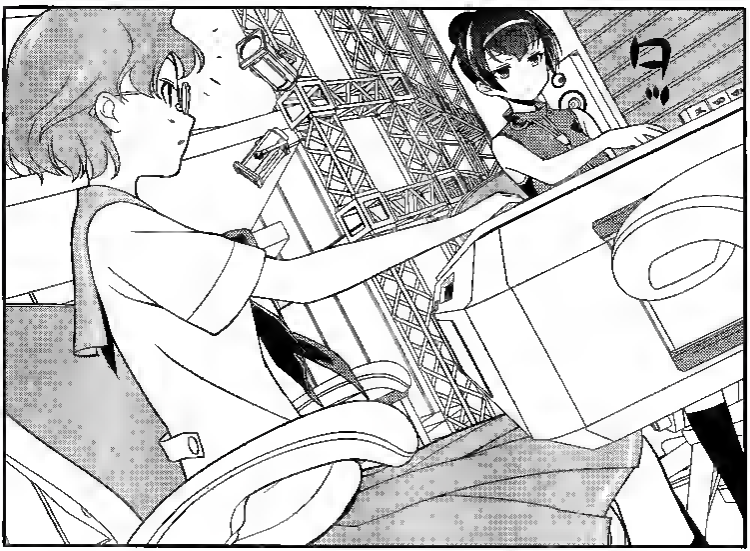
Hmm,
this hand looks good, but it's still iishanten ..

I'm last place so there's no use in forcing this hand
And Yuki and Sawaya are after me, Yuan and I should play it safe

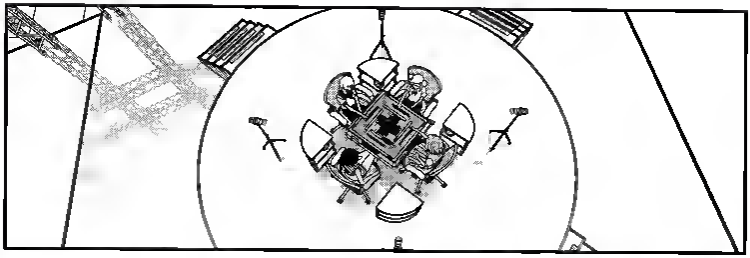


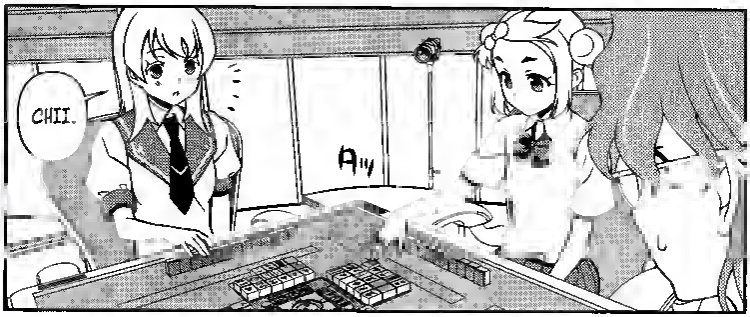


Playing nothing but safe tiles
These guys are tough.



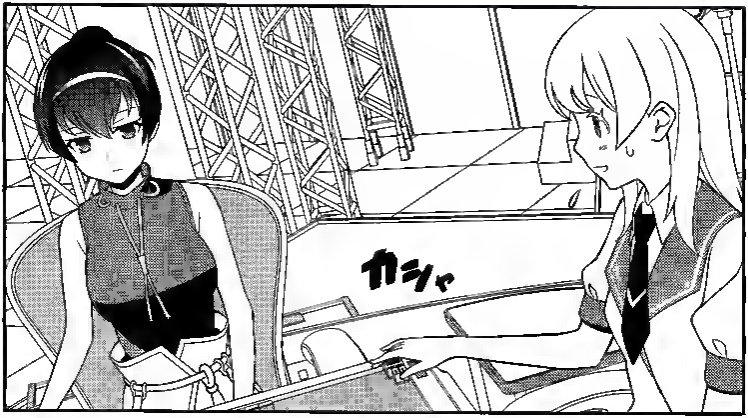
An unsafe center tile out of the blue!
Did she get in tenpai?
I should treat this situation as if Hao went into a pursuit mode.
That means...



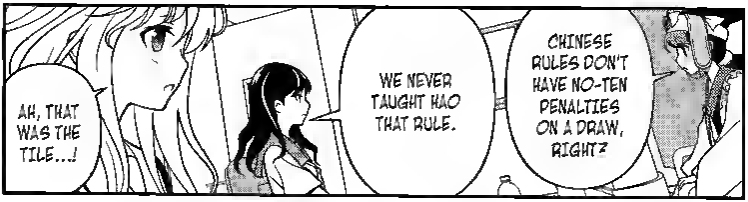


CHII.

I won't win with it, but at least I have tenpai...
Plus the excess tile is safe.
Yay!



カシャ



AH, THAT WAS THE TILE...!
WE NEVER TAUGHT HAO THAT RULE.
CHINESE RULES DON'T HAVE NO-TEN PENALTIES ON A DRAW, RIGHT?
